Revision 3.02.000 (Released 2024-10-17)

1. Update drivers and sample code to support Keil compiler v6.

Revision 3.01.004 (Released 2024-04-18)

2. Fixed a typo in description of CLK_SysTickDelay.
3. Before doing RTC init, first confirm whether the init bit has been set to avoid the RTC time being reset.

Revision 3.01.003 (Released 2023-02-24)

1. Add sample code SYS_PowerDown_MinCurrent
2. Add timeout check to drivers to prevent from infinite loop

Revision 3.01.002 (Released 2020-10-8)

3. Added Apache-2.0 license declaration into driver source code.
4. Minor bug fix.

Revision 3.01.001 (Released 2019-11-7)

1. Added ISP related samples.
2. Minor bug fix.

Revision 3.01.000 (Released 2018-9-17)

1. Added Eclipse project support.
2. Minor bug fix.

Revision 3.00.002 (Released 2017-3-10)

1. Added 32-pin package support.
2. Fixed smartcard driver and library behaviors that do not comply with EMV2000 spec.
3. Updated SC_ReadSimPhoneBook sample code to support SIM card with CHV1 disabled.

Revision 3.00.001 (Released 2016-8-17)

1. Updated Keil and IAR project files to support Nu-Link driver v6561 or above.

Revision 3.00.000 (Released 2016-7-25)

1. Initial release.

Important Notice

Nuvoton Products are neither intended nor warranted for usage in systems or equipment, any malfunction or failure of which may cause loss of human life, bodily injury or severe property damage. Such applications are deemed, "Insecure Usage".

Insecure usage includes, but is not limited to: equipment for surgical implementation, atomic energy control instruments, airplane or spaceship instruments, the control or operation of dynamic, brake or safety systems designed for vehicular use, traffic signal instruments, all types of safety devices, and other applications intended to support or sustain life.

All Insecure Usage shall be made at customer's risk, and in the event that third parties lay claims to Nuvoton as a result of customer's Insecure Usage, customer shall indemnify the damages and liabilities thus incurred by Nuvoton.

Please note that all data and specifications are subject to change without notice.
All the trademarks of products and companies mentioned in this datasheet belong to their respective owners.
